Burnished & Gleaming

Embracing the beauty and longevity of copper.

1. SALTY LINES

The Nautical is reminiscent of the riveted copper bracket lanterns that once illuminated seagoing vessels. The smallest of the three sizes is 15" tall x 9 1/2" wide x 9 1/2" deep. (Largest is 24" tall.) Electric or gas, \$600 to \$800. Bevolo, (504) 522-9485, bevolo.com

2. PENNY BRIGHT

The Avila hand-hammered, undermount has a pleasing, semi-circular sloped basin. Measuring 21" long x 15" wide x 4 1/2" deep, it comes in brushed nickel or antique or polished copper (shown); optional protective coating. \$945. Native Trails, (800) 786-0862, nativetrails.net

3. COPPER-TOPPED

Copper makes a luxurious, antimicrobial, long-lasting countertop surface. Tops are hand-built from 14-gauge copper, with an antique matte finish that develops patina over time. \$150 to \$300 per sq. ft. Specialty Stainless, (800) 836-8015, specialtystainless.com

4. ICEBOX UPDATE

Drawing inspiration from early-20th-century iceboxes, the Classic Fridge (shown in Cream) offers a bottom freezer, double fridge doors, and icebox-style copper hardware. In five colors and several trims, 22.3 cu.ft.; \$4,995. Big Chill, (877) 842-3269, bigchill.com

5. MAMA LEAH!

This customized version of the standard design known as Mama Leah's Range Hood features a repoussé lotus flower and vines, butterfly appliques, and a personalized repoussé text. In medium copper, it's 48" wide x 42" high x 24" deep. Custom quote. Texas Lightsmith, (877) 268-2266, texaslightsmith.com
